

Planting Brassicas

*Food for sheep.
Hayrack made at the school.*

Collecting soil samples for testing.

Herbaceous border with shrubs at the front of the school.

Identification of needs

Philip Prior

Mr McDonald with boys erecting the fruit cage

Potting on Dahlias

Hoeing near the
Cordons

Possibly 1965 dahlia cordons were
planted in March 1964

Work in the herb garden,
near old 'Domestic Economy Room'

The girls came out
for photographs - would
normally have worn more suitable
clothing

Apple pollination
