

A2 PE COURSEWORK **SECTIONS B AND C**

For A2 PE, a piece of coursework which usually must be completed by **mid March**

This will be marked and sent to the appointed moderator for this year for **external verification**.

This piece of work is worth 20% of the whole A Level PE course (40% of the A2 year).

It includes performance, analysis and evaluation of own performance, including identification of weaknesses, suggested causes and corrective measures.

For this piece of extended work to be completed satisfactorily, it must be started before the end of Year 12 and worked on steadily throughout the following eight months.

An extensive pack of information has been compiled to help you to work on this assignment, including **interim deadline dates** by which separate pieces of work should be submitted. **Compulsory extra study sessions will be run on Fridays after school for those who do not meet the listed deadlines.**

We are doing this to help you to complete a high quality piece of work and achieve a good A Level grade so please keep referring to the deadline dates.

Regular lessons will be set aside for you to work on it with a mix of directed input and independent study.

Please ensure that you **keep a separate file** for your coursework which you **bring to all designated lessons**.

Good luck with the coursework enjoy it!
